

HONDA

ENGINES

We are now a Honda Authorized small engine Sales/ Service/Warranty and Parts center.

From Normal preventive maintenance to full tear down repairs and rebuilds to parts replacement, at Continental Fire & Safety, Inc. We repair all Honda two and four stroke engines.

If you have any of these problems call us:

- Oil leaks
- Engine won't start
- Repairing loose valve seats
- Broken starter ropes and recoil systems
- Valve jobs, clearance checks, and adjustments
- Carburetor rebuilds
- Compression problems
- Adjusting governors
- Gasket & seal replacement

Service technicians are factory trained
